

PLEASE FOLLOW THE FOLLOWING STEPS TO RECOVER YOUR FOLDERS AND DOCUMENT

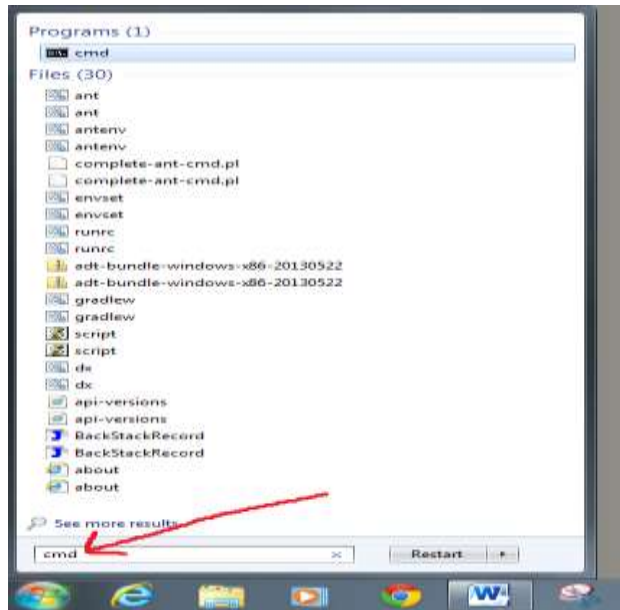

1. Click on the start button and Click on Computer

2. The following window will open. Please take note of the letter next to your USB Drive. E. g. (E:) in the following picture.

3. Click on the start button and type cmd as shown below. Then press Enter.

4. The following window will appear

5. Type the drive letter you saw in number 3 (E.g. (E:)) above followed by a colon and press Enter. The following will appear

```
Administrator: C:\Windows\system32\cmd.exe
Microsoft Windows [Version 6.1.7601]
Copyright (c) 2009 Microsoft Corporation. All rights reserved.

C:\Users\General>e:
E:\>
```

6. Type: `attrib -h -s * /s /d` as seen below and press Enter

```
Administrator: C:\Windows\system32\cmd.exe
Microsoft Windows [Version 6.1.7601]
Copyright (c) 2009 Microsoft Corporation. All rights reserved.

C:\Users\General>e:
E:\>attrib -h -s * /s /d
E:\>
```

7. Now wait until the screen returns to only your drive letter as seen above.
8. Close all folders. Open your USB stick and all files and documents will be available.
